*-Royals Mission Statement*

# And I think to myself...

Two years ago our world turned upside down. We were taken away from our everyday routines and forced to imagine a new way of life, routine, and way of communication. For the first time, many of us were forced to pause and reflect. The pandemic changed us and the world around us. This pause opened our eyes, our ears, and our hearts to a new world. Many of us were pushed out of comfort zones and challenged to look at the world with a new perspective. These last two years have also brought people closer together. This experience has left us with many new thoughts, ideals and expectations one could never predict. Regardless what this “great pause” has brought you and your view on things, when the world turned not-so-wonderful, our society was forced to find something wonderful.

*“Nature is painting for us, day after day, pictures of infinite beauty.” John Ruskin*

Tonight we celebrate our world and all it has to offer! From landforms to weather to cultures and all the good, bad, unique and interesting in between, this world is *OURS!* We are blessed with the opportunity to make each day that is given to us and make our world a better place. Each generation gets to change the world and improve upon it. Regardless of the conflicts and disagreements over time, *WE* make the world what it is; communities banding together time and time again in good times and bad times to create a place of belonging. From WWII and the Civil Rights to the American Revolution and COVID, there are countless examples of people coming together for the betterment of society and their environment.

Tonight’s Spring Show is a wonderful example of people with shared interests coming together in their community to share an evening. This show cannot happen without the dancers, their parents, our theatre and tech theatre students, local dancers and their teachers, our student body, our school faculty and *YOU*. Thank you for being here and celebrating *our* world! *WE* are better because of your support and love. Your presence has already made our world brighter and better.

*“Never doubt that a small group of thoughtful, committed citizens can change the world; indeed, it is the only thing that ever has.” Margaret Mead*

Please enjoy, “What a Wonderful World!”

*Miranda Richter*

# To the 2021-2022 Royals...

Tonight is always my favorite night of the year. Out of every single thing we get to do together as a team, the night of Spring Show can't be beat. Tonight is the night that we get to watch a year's worth of teamwork, sacrifice, planning, laughter and love finally come together in one big celebration. After the up's and down's of the past two years it feels so sweet to celebrate the most beautiful, majestic and heartwarming parts of our WORLD.

To my sweet JV Royals: Seeing each of you is the best part of my day. Thank you for the endless hours of hard work, laughs and smiles. It is truly a joy to coach you and dance with you all every day, and I couldn't be any prouder of what you accomplished as a team. Each of you means the WORLD to me! YEA STATE CHAMPION JVR!

To the Royals: You all amaze me in every possible way. Your talent, your grit, your determination and your friendships with one another make my WORLD brighter. I have loved watching you all grow as dancers, leaders and teammates this year, and I can't wait to celebrate all of that tonight.

To the JV and Royal Parents: Thank you just doesn't seem like enough. I am forever grateful for the "Royal Love", support and friendship you offer Mrs. Richter and myself. No part of this year would have been possible without you!

To the Senior Royals: When I stop and picture the Class of 2022, the phrase "leave the WORLD a better place than you found it" comes to mind. From the moment your class arrived, you have worked tirelessly to leave your mark and to make this place better. As you dance together one final time, I hope you are filled with pride knowing Royals has been changed for the better and for good because of YOU. Tonight is a celebration of the legacy you leave behind!

And last but certainly not least, to Mrs. Richter: Thank you for being the greatest mentor, co-teacher and friend anyone could EVER ask for! Your endless passion for this job amazes and inspires not just me, but all those around you. This team is so lucky to have a leader as fearless as you. My WORLD is better because you are a part of it!

Royals, enjoy tonight and all it stands for. It is truly a joy to watch you make this WORLD your own.

Royal Love, Ms. Wendt
