-Royals Mission Statement

HERSTORY...

History is often just "his story:" tales of kings and conquerors, of men who fought wars, and men who built nations. But throughout human history, countless women and girls have fought in great and small ways to make their mark on the world and change the future. Many of their stories have been lost, forgotten, or hidden. These are stories where women stood up for what is right, carried out amazing achievements, followed their dreams, or led from their heart. From artists and writers to performers, healers, teachers, scientists and heroes, these women believed in doing what is right for their country, their people and humanity. Some of them won prizes, while others were never appreciated during their lifetime. Some of them died tragically young, while others lived long lives. They knew that to turn their hopes and dreams into reality they had to shake up the world!

Tonight we celebrate the lives of incredible women and girls who refused to obey the rules society set for them, and whose lives, work, and words can inspire us all to make the world a better place. Now it is a time to talk about a past and a present that are not *history*, but *HERstory*.

"If people were silent, nothing would change." Malala Yousafzai

We are so proud and excited to return to the stage this year! Since the spring of 2020, we have all been met with challenges, hurdles and hardships and, have no doubt, longed for a return to "normalcy." While our worlds have been turned upside down, returning to the stage represents an opportunity where many creative minds collaborate and come together to present a year of work in the making. While we were not able to present Spring Show 2020 "In Our Element," we use tonight to honor ALL who have played an important role in our lives, whether through human history or Royal history.

Please enjoy!

To the 2020-2021 Royals...

Tonight, is always my favorite night of the year. Out of every single thing we get to do together as a team, the night of Spring Show can't be beat. Tonight, is the night that we get to watch a year's worth of hard work, sacrifice, planning, teamwork, laughter and love finally come together in one big celebration. This year feels especially sweet as it has been two years in the making. Tonight, we finally get to tell OUR story.

To my sweet JV Royals: Seeing each of you is the best part of my day. Thank you for the endless hours of hard work, laughs, and smiles. It is truly a joy to coach you and dance with you all every day, and I couldn't be any prouder of what you accomplished as a team. YEA JVR!

To the Royals: You all amaze me in every possible way. Your talent, your determination, and your friendships with one another have astounded me since the very beginning. I have loved watching you all grow as dancers, leaders, and teammates this year, and I can't wait to celebrate all of that tonight.

To the JV and Royal Parents: Thank you just doesn't seem like enough. I am forever grateful for the "Royal Love", support, and friendship you offer Mrs. Richter and myself. No part of this year would have been possible without you!

To the Senior Royals: You are truly an exceptional group. Through every postponed, rescheduled, and reimaged event you keep your chin high and spirit bright. Your positivity was unwavering and your determination was unstoppable. We only made it this far because of YOU. Thank you for sharing the very best of yourselves with us every day. Tonight is a celebration of you and the legacy you leave behind.

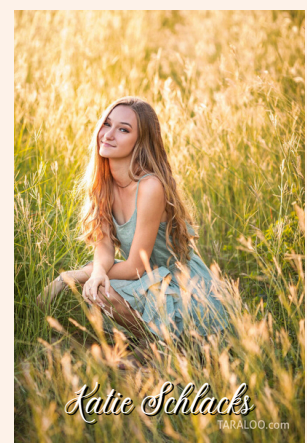

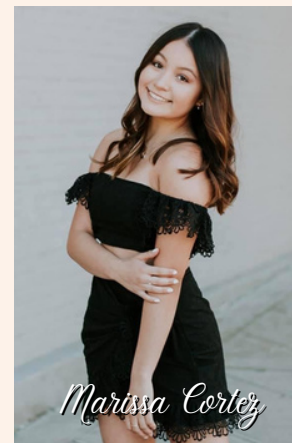

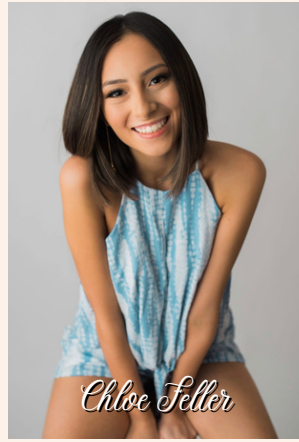

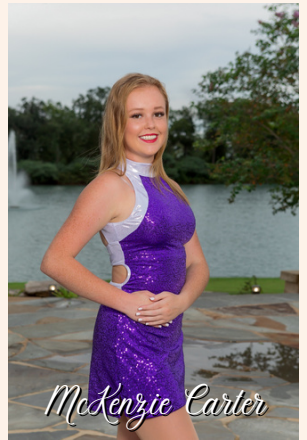

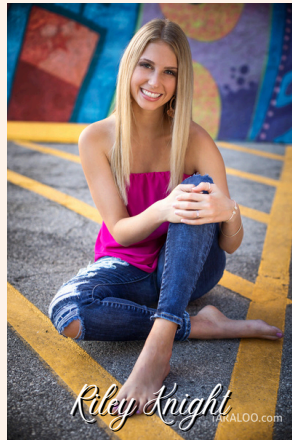

And last but certainly not least, to Mrs. Richter: Thank you for being the greatest mentor, co-teacher, and friend anyone could EVER ask for! Your endless passion for this job amazes and inspires not just me, but all those around you. This team is so lucky to have a leader as fearless as you, and I'm so glad you are a part of my story.

Royals, enjoy tonight and all it stands for. It is truly a joy to watch you live your story.

Royal Love, Ms. Wendt

To the Class of 2020...

When your story came to an unexpected end, our hearts ached for you and the loss of those final moments on stage. Your grace and resilience paved the way for us to navigate this difficult year. Each of you played an important role in OUR story and tonight we dance for you.

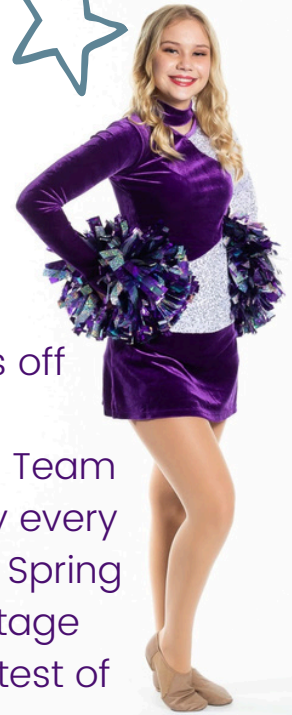

Royal Love- Mrs. Richter, Ms. Wendt, and the Royals

Celebrating
10 YEARS
of The Royals Dance Team

The Royals Dance Team was established in 2011 with 20 inaugural members by Mrs. Miranda Richter, who continues to serve as the Royals Director. Ms. Emily Wendt, who joined the Royals in 2017, currently serves as the Royals Assistant Director, JV Royals Director, and full-time dance teacher. The Royals have had over 180 members total in the past 10 years and the program is rich in its traditions and rituals developed over these years.

Help us celebrate 10 years of Royals by following this QR Code to the special Alumni section of our website. Here you will find bios of previous Royals, learn what they have been up to since graduating, and where they are today.

We love you We love you We love you, foofie!!! We love your big hugging heart of gold wrapped up in a "don't mess with me ... periodT"outside. Those of us lucky enough to get to see your soft, beautiful, golden heart are better off because of it. Never change, Queen. Never change. You will one day rule the world... as. you. should!!! We are so so so proud of you and have loved every single second watching you shine on stage but are so excited to see all the ways you will shine in Oklahoma! Boomer Sooner!! Plan now for lots of visits because we will need our Brycie hugs on the regular. We can't even begin to tell you how much we love you... LOVE YOU to INFINTY and back again.
Love, Mom, Dad, CB and Lulu
