

Dear Business, Community, Neighbor, Family, and Friends:

We want to cordially invite you to become a Sponsor/Booster Club Member for the 2022-2023 academic school year!

The Ridge Point High School Royals Dance Team is ready for another fun filled year, so we are reaching out to our dedicated community neighbors, family and friends seeking financial support. We know that your time and business is valuable, and we appreciate you taking a moment to give this letter your full attention.

The RPHS Royals Booster Club is a parent-led, non-profit organization that exists for the sole purpose of supporting the Royals Dance Team. Donations are instrumental in sustaining the growth and success of the students involved and will be used for various activities that include dance apparel, props, competition fees, and other operating expenses not covered by our district budget.

The Ridge Point High School Royals Dance Team organization is composed of dedicated young ladies, 9th-12th grade, who have a passion for dance and a commitment to the art of precision team dance. Our organization is based on the principles of dedication, self-discipline, confidence, humility, and teamwork. The Royals experience will contribute to helping these young ladies grow in qualities that extend far beyond dance.

In the past, the Royals performed at football games, competed in several Spring competitions and produced a 3-day end of the year Spring Show.

We promise to strive to provide as much consumer visibility as possible by publicizing sponsorship partnerships at every opportunity.
